About the Event:

Global Entrepreneurship Summit 2025 is going to be held on September 29-30, 2025, Online. The main theme of the conference is "Innovation & latest trends in business networking and opportunities". Entrepreneurship Summit will be a great platform for Women Entrepreneurs, Business Coaches, International event speakers- Motivational coaches, youth generation, academic entrepreneurs and small scale people to share their knowledge and provide business ideas within this field. This event provides excellent opportunity to all business professionals to increase their networking and increase their business to a higher level. Entrepreneurship Summit also provides opportunity to all the participants to share their ideas & experience among the top researchers and business professional meeting globally from all over the world. This platform helps the delegates to increase their knowledge and build their International connections from all the attendees coming from different part of the globe. We welcome Directors, University professionals, Business managers, business entrepreneur's students, business associations, societies to attend the Summit. The main importance of the conference is to bring the entire business professional in one platform where knowledge & ideas can be shared among them. The main motive of the event is to discuss the innovation & recent trends in the business field.
